137.115. 1. All other laws to the contrary notwithstanding, the assessor or the assessor's deputies in all counties of this state including the city of St. Louis shall annually make a list of all real and tangible personal property taxable in the assessor's city, county, town or district. Except as otherwise provided in subsection 3 of this section **and section 137.078**, the assessor shall annually assess all personal property at thirty-three and one-third percent of its true value in money as of January first of each calendar year. The assessor shall annually assess all real property, including any new construction and improvements to real property, and possessory interests in real property at the percent of its true value in money set in subsection 5 of this section. The assessor shall annually assess all real property in the following manner: new assessed values shall be determined as of January first of each odd-numbered year and shall be entered in the assessor's books; those same assessed values shall apply in the following even-numbered year, except for new construction and property improvements which shall be valued as though they had been completed as of January first of the preceding odd-numbered year. The assessor may call at the office, place of doing business, or residence of each person required by this chapter to list property, and require the person to make a correct statement of all taxable tangible personal property owned by the person or under his or her care, charge or management, taxable in the county. On or before January first of each even-numbered year, the assessor shall prepare and submit a two-year assessment maintenance plan to the county governing body and the state tax commission for their respective approval or modification. The county governing body shall approve and forward such plan or its alternative to the plan to the state tax commission by February first. If the county governing body fails to forward the plan or its alternative to the plan to the state tax commission by February first, the assessor's plan shall be considered approved by the county governing body. If the state tax commission fails to approve a plan and if the state tax commission and the assessor and the governing body of the county involved are unable to resolve the differences, in order to receive state cost-share funds outlined in section 137.750, the county or the assessor shall petition the administrative hearing commission, by May first, to decide all matters in dispute regarding the assessment maintenance plan. Upon agreement of the parties, the matter may be stayed while the parties proceed with mediation or arbitration upon terms agreed to by the parties. The final decision of the administrative hearing commission shall be subject to judicial review in the circuit court of the county involved. In the event a valuation of subclass (1) real property within any county with a charter form of government, or within a city not within a county, is made by a computer, computer-assisted method or a computer program, the burden of proof, supported by clear, convincing and cogent evidence to sustain such valuation, shall be on the assessor at any hearing or appeal. In any such county, unless the assessor proves otherwise, there shall be a presumption that the assessment was made by a computer, computer-assisted method or a computer program. Such evidence shall include, but shall not be limited to, the following:

- (1) The findings of the assessor based on an appraisal of the property by generally accepted appraisal techniques; and
- (2) The purchase prices from sales of at least three comparable properties and the address or location thereof. As used

in this paragraph, the word "comparable" means that:

(a) Such sale was closed at a date relevant to the property valuation; and

(b) Such properties are not more than one mile from the site of the disputed property, except where no similar properties exist within one mile of the disputed property, the nearest comparable property shall be used. Such property shall be within five hundred square feet in size of the disputed property, and resemble the disputed property in age, floor plan, number of rooms, and other relevant characteristics.

2. Assessors in each county of this state and the city of St. Louis may send personal property assessment forms through the mail.

3. The following items of personal property shall each constitute separate subclasses of tangible personal property and shall be assessed and valued for the purposes of taxation at the following percents of their true value in money:

(1) Grain and other agricultural crops in an unmanufactured condition, one-half of one percent;

(2) Livestock, twelve percent;

(3) Farm machinery, twelve percent;

(4) Motor vehicles which are eligible for registration as and are registered as historic motor vehicles pursuant to section 301.131, RSMo, and aircraft which are at least twenty-five years old and which are used solely for noncommercial purposes and are operated less than fifty hours per year or aircraft that are home built from a kit, five percent;

(5) Poultry, twelve percent; and

(6) Tools and equipment used for pollution control and tools and equipment used in retooling for the purpose of introducing new product lines or used for making improvements to existing products by any company which is located in a state enterprise zone and which is identified by any standard industrial classification number cited in subdivision (6) of section 135.200, RSMo, twenty-five percent.

4. The person listing the property shall enter a true and correct statement of the property, in a printed blank prepared for that purpose. The statement, after being filled out, shall be signed and either affirmed or sworn to as provided in section 137.155. The list shall then be delivered to the assessor.

5. All subclasses of real property, as such subclasses are established in section 4(b) of article X of the Missouri Constitution and defined in section 137.016, shall be assessed at the following percentages of true value:

(1) For real property in subclass (1), nineteen percent;

(2) For real property in subclass (2), twelve percent; and

(3) For real property in subclass (3), thirty-two percent.

6. Manufactured homes, as defined in section 700.010, RSMo, which are actually used as dwelling units shall be assessed at the same percentage of true value as residential real property for the purpose of taxation. The percentage of assessment of true value for such manufactured homes shall be the same as for residential real property. If the county collector cannot identify or find the manufactured home when attempting to attach the manufactured home for payment of taxes owed by the manufactured home owner, the county collector may request the county commission to have the manufactured home removed from the tax books, and such request shall be granted within thirty days after the request is made; however, the removal from the tax books does not remove the tax lien on the manufactured home if it is later identified or found. A manufactured home located in a manufactured home rental park, rental community or on real estate not owned by the manufactured home owner shall be considered personal property. A manufactured home

located on real estate owned by the manufactured home owner may be considered real property.

7. Each manufactured home assessed shall be considered a parcel for the purpose of reimbursement pursuant to section 137.750, unless the manufactured home has been converted to real property in compliance with section 700.111, RSMo, and assessed as a realty improvement to the existing real estate parcel.

8. Any amount of tax due and owing based on the assessment of a manufactured home shall be included on the personal property tax statement of the manufactured home owner unless the manufactured home has been converted to real property in compliance with section 700.111, RSMo, in which case the amount of tax due and owing on the assessment of the manufactured home as a realty improvement to the existing real estate parcel shall be included on the real property tax statement of the real estate owner.

9. The assessor of each county and each city not within a county shall use the trade-in value published in the October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, as the recommended guide of information for determining the true value of motor vehicles described in such publication. In the absence of a listing for a particular motor vehicle in such publication, the assessor shall use such information or publications which in the assessor's judgment will fairly estimate the true value in money of the motor vehicle.

10. Before the assessor may increase the assessed valuation of any parcel of subclass (1) real property by more than fifteen percent since the last assessment, excluding increases due to new construction or improvements, the assessor shall conduct a physical inspection of such property.

11. If a physical inspection is required, pursuant to subsection 10 of this section, the assessor shall notify the property owner of that fact in writing and shall provide the owner clear written notice of the owner's rights relating to the physical inspection. If a physical inspection is required, the property owner may request that an interior inspection be performed during the physical inspection. The owner shall have no less than thirty days to notify the assessor of a request for an interior physical inspection.

12. A physical inspection, as required by subsection 10 of this section, shall include, but not be limited to, an on-site personal observation and review of all exterior portions of the land and any buildings and improvements to which the inspector has or may reasonably and lawfully gain external access, and shall include an observation and review of the interior of any buildings or improvements on the property upon the timely request of the owner pursuant to subsection 11 of this section. Mere observation of the property via a "drive-by inspection" or the like shall not be considered sufficient to constitute a physical inspection as required by this section.

13. The provisions of subsections 11 and 12 of this section shall only apply in any county with a charter form of government with more than one million inhabitants.

14. A county or city collector may accept credit cards as proper form of payment of outstanding property tax due. No county or city collector may charge surcharge for payment by credit card which exceeds the fee or surcharge charged by the credit card bank for its service.

15. The provisions of this section and sections 137.073, 138.060 and 138.100, RSMo, shall become effective January 1, 2003, for any taxing jurisdiction which has at least seventy-five percent of the land area of such jurisdiction within a county with a charter form of government with greater than one million inhabitants, and the provisions of this section and sections 137.073, 138.060 and 138.100, RSMo, shall become effective January 1, 2005, for all taxing jurisdictions in this state. Any county in this state may, by an affirmative vote of the governing body of such county, opt into the provisions of this act prior to January 1, 2005."; and

Further amend said bill, section 143.435, page 4, line 72, by inserting after all of said line the following:

KANSAS AND MISSOURI

METROPOLITAN KANSAS CITY

SPORTS COMPLEX AUTHORITY COMPACT

ARTICLE I. AGREEMENT AND PLEDGE

The states of Kansas and Missouri agree to and pledge, each to the other, faithful cooperation in the conversion of the Jackson County Sports Complex Authority into the Metropolitan Kansas City Sports Complex Authority should the former become a recipient of contributions from a bistate retail sales tax levied by the Metropolitan Culture District heretofore established pursuant to a compact of said states.

ARTICLE II. PURPOSE

The party states, having heretofore entered into a compact authorizing the creation of a Metropolitan Culture District that may make contributions from a bistate retail sales tax levied by the District for or in aid of cultural facilities, including those operated or used for sports, in counties which are part of the District, and desiring to provide Kansas counties in which such tax is levied a governance and oversight role should contributions from such tax be made for or in aid of the sports stadium facilities owned and operated by the Jackson County Sports Complex Authority, the purpose of this compact is to provide such a governance and oversight role.

ARTICLE III. CONVERSION

If the Jackson County Sports Complex Authority becomes a recipient of contributions to be made by the Kansas and Missouri Metropolitan Culture District created pursuant to section 70.500, RSMo, from a bistate retail sales tax levied by such District in at least Johnson County, Kansas and Jackson County, Missouri for the purposes of planning, constructing, equipping, repairing, extending or improving sports stadium facilities then owned and operated by the Authority or for the payment of principal of or interest on bonds or notes to be issued by the Authority for such purposes, the Authority shall, effective upon the later of (i) the first day of the calendar quarter following the authorization of the levy of such tax in both Johnson County, Kansas and Jackson County, Missouri or (ii) the effective date of this compact pursuant to Article VI, become the Metropolitan Kansas City Sports Complex Authority, and the Jackson County Legislature and Executive shall issue such orders and make such filings in the offices of the governor of Missouri, the secretary of state of Missouri and elsewhere as may be necessary or appropriate to evidence such name change and the other changes made by this compact.

Each additional commissioner shall be appointed by the governing body of the county for which such commissioner is appointed, shall be a qualified voter and a resident of such county, shall not be an elected or appointed official of such county, any political subdivision or state, shall hold office for a term of five years or the unexpired term of any predecessor, and shall be compensated and reimbursed as provided in subsection 5 of section 64.930. No commissioner shall continue to serve beyond the expiration of that commissioner's term. Any vacancy that exists with respect to an additional commissioner shall be filled in the same manner and within thirty days from the date thereof. However, if no individual is appointed by the governing body to fill the

position of commissioner within thirty days of the expiration of a term, the governor of Missouri shall have the authority to appoint with the advice and consent of the senate a Missouri commissioner to fill the vacancy. Notwithstanding any other provisions of this compact to the contrary, the respective states' general assemblies may alter the manner in which a commissioner from their respective state to the authority is chosen, but may not alter the total number of commissioners.

ARTICLE V. EXISTENCE

100.850. 1. The approved company shall remit to the board a job development assessment fee, not to exceed five percent of the gross wages of each eligible employee whose job was created as a result of the economic development project, or not to exceed ten percent if the economic development project is located within a distressed community as defined in section 135.530, RSMo, for the purpose of retiring bonds which fund the economic development project.

2. Any approved company remitting an assessment as provided in subsection 1 of this section shall make its payroll books and records available to the board at such reasonable times as the board shall request and shall file with the board documentation respecting the assessment as the board may require.

3. Any assessment remitted pursuant to subsection 1 of this section shall cease on the date the bonds are retired.

4. Any approved company which has paid an assessment for debt reduction shall be allowed a tax credit equal to the amount of the assessment. The tax credit may be claimed against taxes otherwise imposed by chapters 143 and 148, RSMo, except withholding taxes imposed under the provisions of sections 143.191 to 143.265, RSMo, which were incurred during the tax period in which the assessment was made.

5. In no event shall the aggregate amount of tax credits authorized by subsection 4 of this section exceed eleven million dollars annually. **If the approved company shall be a project for a world headquarters of a business whose primary function is tax return preparation in any home rule city with more than four hundred thousand inhabitants and located in more than one county, the aggregate amount of tax credits authorized by subsection 4 of this section shall be increased to eleven million nine hundred fifty thousand dollars annually.**

The petition for the payment of said restitution shall be filed with the sentencing court within one year of the release from confinement after August 28, 2003. For the purposes of this subsection the term "actually innocent" shall mean:

If moneys remain in the fund on June 30th of each fiscal year, the remaining moneys shall be used to pay restitution to those individuals who have received an order awarding restitution under this subsection during the past fiscal year. If insufficient moneys remain in the fund on June 30th of each fiscal year to pay restitution to such persons, the department shall pay each individual who has received an order awarding restitution a pro rata share of the amount such person is owed. The remaining amounts owed to such individual

shall be paid from the fund on June 30th of each subsequent fiscal year, provided moneys remain in the fund on June 30th, until such time as the restitution to the individual has been paid in full. No interest on unpaid restitution shall be awarded to the individual. If there are no moneys remaining in the DNA profiling analysis fund, then no payments shall be made under this subsection. No individual who has been determined by the court to be actually innocent shall be responsible for the costs of care under section 217.831, RSMo.

8. The sheriff shall keep a record of all applications for a certificate of qualification for a concealed carry endorsement and his or her action thereon. The sheriff shall report the issuance of a certificate of qualification to the Missouri uniform law enforcement system. An applicant's status as a holder of a certificate of qualification or a concealed carry endorsement shall not be public information and shall be considered personal protected information. Any person who violates the provisions of this subsection by disclosing protected information shall be guilty of a class A misdemeanor.

Further amend the title and enacting clause accordingly.

Senator Caskey moved that the above substitute amendment be adopted.

The point of order was referred to the President Pro Tem, who ruled it well taken.

SA 3 was again taken up.

Senator Goode moved that the above amendment be adopted, which motion failed.

Senator Loudon offered **SA 4**:

SENATE AMENDMENT NO. 4

Amend Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bills Nos. 946, 1106 and 952, Page 12, Section 50.515, Line 12, of said page, by inserting after all of said line the following:

"137.115. 1. All other laws to the contrary notwithstanding, the assessor or the assessor's deputies in all counties of this state including the city of St. Louis shall annually make a list of all real and tangible personal property taxable in the assessor's city, county, town or district. Except as otherwise provided in subsection 3 of this section, the assessor shall annually assess all personal property at thirty-three and one-third percent of its true value in money as of January first of each calendar year. The assessor shall annually assess all real property, including any new construction and improvements to real property, and possessory interests in real property at the percent of its true value in money set in subsection 5 of this section. The assessor shall annually assess all real property in the following manner: new assessed values shall be determined as of January first of each odd-numbered year and shall be entered in the assessor's books; those same assessed values shall apply in the following even-numbered year, except for new construction and property improvements which shall be valued as though they had been completed as of January first of the preceding odd-numbered year. The assessor may call at the office, place of doing business, or residence of each person required by this chapter to list property, and require the person to make a correct statement of all taxable tangible personal property owned by the person or under his or her care, charge or management, taxable in the county. On or before January first of each even-numbered year, the assessor shall prepare and submit a two-year assessment maintenance plan to the county governing body and the state tax commission for their respective approval or modification. The county governing body shall approve and forward such plan or its alternative to the plan to the state tax commission by February first. If the county governing body fails to forward the plan or its alternative to the plan to the state tax commission by February first, the assessor's plan shall be considered approved by the county governing body. If the state tax commission fails to approve a plan and if the state tax commission and the assessor and the governing body of the county involved are unable to resolve the differences, in order to receive state cost-share funds outlined in section 137.750, the county or the assessor shall petition the administrative hearing commission, by May first, to decide all matters in dispute regarding the assessment maintenance plan. Upon agreement of the parties, the matter may be stayed while the parties proceed with mediation or arbitration upon terms agreed to by the parties. The final decision of the administrative hearing commission shall be subject to judicial review in the circuit court of the county involved. In the event a valuation of subclass (1) real property within any county with a charter form of government, or within a city not within a county, is made by a computer, computer-assisted method or a computer program, the burden of proof, supported by clear, convincing and cogent evidence to sustain such valuation, shall be on the assessor at any hearing or appeal. In any such county, unless the assessor proves otherwise, there shall be a presumption that the assessment was made by a computer, computer-assisted method or a computer program. Such evidence shall include, but shall not be limited to, the following:

(1) The findings of the assessor based on an appraisal of the property by generally accepted appraisal techniques; and

(2) The purchase prices from sales of at least three comparable properties and the address or location thereof. As used in this paragraph, the word "comparable" means that:

(a) Such sale was closed at a date relevant to the property valuation; and

(b) Such properties are not more than one mile from the site of the disputed property, except where no similar properties exist within one mile of the disputed property, the nearest comparable property shall be used. Such property shall be within five hundred square feet in size of the disputed property, and resemble the disputed property in age, floor plan, number of rooms, and other relevant characteristics.

2. Assessors in each county of this state and the city of St. Louis may send personal property assessment forms through the mail.

3. The following items of personal property shall each constitute separate subclasses of tangible personal property and shall be assessed and valued for the purposes of taxation at the following percents of their true value in money:

(1) Grain and other agricultural crops in an unmanufactured condition, one-half of one percent;

(2) Livestock, twelve percent;

(3) Farm machinery, twelve percent;

(4) Motor vehicles which are eligible for registration as and are registered as historic motor vehicles pursuant to section 301.131, RSMo, **one-half of one percent; [and]**

(5) Aircraft which are at least twenty-five years old and which are used solely for noncommercial purposes and are operated less than fifty hours per year or aircraft that are home built from a kit, five percent;

~~[(5)]~~ (6) Poultry, twelve percent; and

~~[(6)]~~ (7) Tools and equipment used for pollution control and tools and equipment used in retooling for the purpose of introducing new product lines or used for making improvements to existing products by any company which is located in a state enterprise zone and which is identified by any standard industrial classification number cited in subdivision (6) of section 135.200, RSMo, twenty-five percent.

4. The person listing the property shall enter a true and correct statement of the property, in a printed blank prepared for that purpose. The statement, after being filled out, shall be signed and either affirmed or sworn to as provided in section 137.155. The list shall then be delivered to the assessor.

5. All subclasses of real property, as such subclasses are established in section 4(b) of article X of the Missouri Constitution and defined in section 137.016, shall be assessed at the following percentages of true value:

(1) For real property in subclass (1), nineteen percent;

(2) For real property in subclass (2), twelve percent; and

(3) For real property in subclass (3), thirty-two percent.

6. Manufactured homes, as defined in section 700.010, RSMo, which are actually used as dwelling units shall be assessed at the same percentage of true value as residential real property for the purpose of taxation. The percentage of assessment of true value for such manufactured homes shall be the same as for residential real property. If the county collector cannot identify or find the manufactured home when attempting to attach the manufactured home for payment of taxes owed by the manufactured home owner, the county collector may request the county commission to have the manufactured home removed from the tax books, and such request shall be granted within thirty days after the request is made; however, the removal from the tax books does not remove the tax lien on the manufactured home if it is later identified or found. A manufactured home located in a manufactured home rental park, rental community or on real estate not owned by the manufactured home owner shall be considered personal property. A manufactured home located on real estate owned by the manufactured home owner may be considered real property.

7. Each manufactured home assessed shall be considered a parcel for the purpose of reimbursement pursuant to section 137.750, unless the manufactured home has been converted to real property in compliance with section 700.111, RSMo, and assessed as a realty improvement to the existing real estate parcel.

8. Any amount of tax due and owing based on the assessment of a manufactured home shall be included on the personal property tax statement of the manufactured home owner unless the manufactured home has been converted to real property in compliance with section 700.111, RSMo, in which case the amount of tax due and owing on the assessment of the manufactured home as a realty improvement to the existing real estate parcel shall be included on the real property tax statement of the real estate owner.

9. The assessor of each county and each city not within a county shall use the trade-in value published in the October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, as the recommended guide of information for determining the true value of motor vehicles described in such publication. In the absence of a listing for a particular motor vehicle in such publication, the assessor shall use such information or publications which in the assessor's judgment will fairly estimate the true value in money of the motor vehicle.

10. Before the assessor may increase the assessed valuation of any parcel of subclass (1) real property by more than fifteen percent since the last assessment, excluding increases due to new construction or improvements, the assessor shall conduct a physical inspection of such property.

11. If a physical inspection is required, pursuant to subsection 10 of this section, the assessor shall notify the property owner of that fact in writing and shall provide the owner clear written notice of the owner's rights relating to the physical inspection. If a physical inspection is required, the property owner may request that an interior inspection be performed during the physical inspection. The owner shall have no less than thirty days to notify the assessor of a request for an interior physical inspection.

12. A physical inspection, as required by subsection 10 of this section, shall include, but not be limited to, an on-site personal observation and review of all exterior portions of the land and any buildings and improvements to which the inspector has or may reasonably and lawfully gain external access, and shall include an observation and review of the interior of any buildings or improvements on the property upon the timely request of the owner pursuant to subsection 11 of this section. Mere observation of the property via a "drive-by inspection" or the like shall not be considered sufficient to constitute a physical inspection as required by this section.

13. The provisions of subsections 11 and 12 of this section shall only apply in any county with a charter form of government with more than one million inhabitants.

14. A county or city collector may accept credit cards as proper form of payment of outstanding property tax due. No county or city collector may charge surcharge for payment by credit card which exceeds the fee or surcharge charged by the credit card bank for its service.

15. The provisions of this section and sections 137.073, 138.060 and 138.100, RSMo, shall become effective January 1, 2003, for any taxing jurisdiction which has at least seventy-five percent of the land area of such jurisdiction within a county with a charter form of government with greater than one million inhabitants, and the provisions of this section and sections 137.073, 138.060 and 138.100, RSMo, shall become effective January 1, 2005, for all taxing jurisdictions in this state. Any county in this state may, by an affirmative vote of the governing body of such county, opt into the provisions of this act prior to January 1, 2005."; and

"301.196. 1. Beginning January 1, 2006, except as otherwise provided in this section, the transferor of an interest in a motor vehicle or trailer listed on the face of a Missouri title, excluding salvage titles and junking certificates, shall notify the department of revenue of the transfer within thirty days of the date of transfer. 4. Notification under this section is only required for transfers of ownership that would otherwise require registration and an application for certificate of title in this state under section 301.190, and is for informational purposes only and does not constitute an assignment or release of any interest in the vehicle.

5. Retail sales made by licensed dealers including sales of new vehicles shall be reported pursuant to the provisions of section 301.280.

301.197. 1. Beginning January 1, 2006, upon receipt of a notification of transfer described in section 301.196, the department shall make a notation on its records indicating that it has received notification that an interest in the motor vehicle or trailer has been transferred. The notation shall be made whether or not the form submitted to the department contains all the information required by section 301.196, so long as there is sufficient information to identify the motor vehicle or trailer and the name and address of the transferee. Thereafter, until a new title is issued, when the department is asked or is required by law to provide the name of the owner or lienholder of a motor vehicle or trailer as shown on its records, the department shall provide the name of the owner or lienholder recorded on the latest title or lien perfection of

2. If the department does not receive an application for title from the person named as transferee in a form submitted pursuant to section 301.196 within sixty days of the receipt of the form, the department shall notify the transferee to apply for title. Notification shall be made as soon after the sixtieth day after receipt of the form as is convenient for the department. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void. Notwithstanding section 226.200, RSMo, to the contrary the general assembly may appropriate state highways and transportation department funds for the requirements of sections 301.196, 301.198, and 301.280, and this section.

301.198. 1. Beginning January 1, 2006, a person commits the offense of knowingly submitting false information about transfer of a vehicle if the person submits a notice of transfer of an interest in a motor vehicle or trailer as described in section 301.196 to the department of revenue and the person knows that some or all of the information contained in the notice is false. The offense described in this section, knowingly submitting false information about transfer of a vehicle, is a class C misdemeanor.

2. Any person who fails to submit the required notice pursuant to section 301.196 shall be guilty of an infraction. If the failure to submit the required notice was done to assist the transferee to avoid applying for title, paying applicable registration fees or other fraudulent purposes, then the person shall be guilty of a class C misdemeanor.

301.280. 1. Every motor vehicle dealer and boat dealer shall make a monthly report to the department of revenue, on blanks to be prescribed by the department of revenue, giving the following information: Date of the sale of each motor vehicle, boat, trailer and all-terrain vehicle sold; the name and address of the buyer; the name of the manufacturer; year of manufacture; model of vehicle; vehicle identification number; style of vehicle; odometer setting; and it shall also state whether the motor vehicle, boat, trailer or all-terrain vehicle is new or secondhand. The odometer reading is not required when reporting the sale of any motor vehicle that is ten years old or older, any motor vehicle having a gross vehicle weight rating of more than sixteen thousand pounds, new vehicles that are transferred on a manufacturer's statement of origin between one franchised motor vehicle dealer and another, or boats, all-terrain vehicles or trailers. The sale of all [twenty-day] **thirty-day** temporary permits, without exception, shall be recorded in the appropriate space on the dealer's monthly sales report by recording the complete permit number issued on the motor vehicle or trailer sale listed. The monthly sales report shall be completed in full and signed by an officer, partner, or owner of the dealership, and actually received by the department of revenue on or before the fifteenth day of the month succeeding the month for which the sales are being reported. If no sales occur in any given month, a report shall be submitted for that month indicating no sales. **Any vehicle dealer who fails to file a monthly report or who fails to file a timely report shall be subject to disciplinary action as prescribed in section 301.562 or a penalty assessed by the director not to exceed three hundred dollars per violation.** Every motor vehicle and boat dealer shall retain copies of the monthly sales report as part of the records to be maintained at the dealership location and shall hold them available for inspection by appropriate law enforcement officials and officials of the department of revenue. **Beginning January 1, 2006, the monthly sales report required by this subsection may be filed electronically. Beginning January 1, 2007, every vehicle dealer selling twenty or more vehicles a month shall file the monthly sales report with the department in an electronic format. Any dealer filing a monthly sales report in an electronic format shall be exempt from filing the notice of transfer required by section 301.196. For any dealer not filing electronically, the notice of transfer required by section 301.196 shall be submitted with the monthly sales report as prescribed by the director.**

2. Every dealer and every person operating a public garage shall keep a correct record of the vehicle identification number, odometer setting, manufacturer's name of all motor vehicles or trailers accepted by him for the purpose of sale, rental, storage, repair or repainting, together with the name and address of the person delivering such motor vehicle or trailer to the dealer or public garage keeper, and the person delivering such motor vehicle or trailer shall record such information in a file kept by the dealer or garage keeper. The record shall be kept for three years and be open for inspection by law enforcement officials and persons, agencies and officials designated by the director of revenue.

3. Every dealer and every person operating a public garage in which a motor vehicle remains unclaimed for a period of fifteen days shall, within five days after the expiration of that period, report the motor vehicle as unclaimed to the director of revenue. Such report shall be on a form prescribed by the director of revenue. A motor vehicle left by its owner whose name and address are known to the dealer or his employee or person operating a public garage or his employee is not considered unclaimed. Any dealer or person operating a public garage who fails to report a motor vehicle as unclaimed as herein required forfeits all claims and liens for its garaging, parking or storing.

4. The director of revenue shall maintain appropriately indexed cumulative records of unclaimed vehicles reported to the director. Such records shall be kept open to public inspection during reasonable business hours.

5. The alteration or obliteration of the vehicle identification number on any such motor vehicle shall be prima facie evidence of larceny, and the dealer or person operating such public garage shall upon the discovery of such obliteration or alteration immediately notify the highway patrol, sheriff, marshal, constable or chief of police of the municipality where the dealer or garage keeper has his place of business, and shall hold such motor vehicle or trailer for a period of forty-eight hours for the purpose of an investigation by the officer so notified."; and

Further amend said bill, Page 144, Section 302.233, Line 2 of said page, by inserting after all of said line the following:

304.155. 1. Any law enforcement officer within the officer's jurisdiction, or an officer of a government agency where that agency's real property is concerned, may authorize a towing company to remove to a place of safety:

(1) Any abandoned property on the right-of-way of:

(a) Any interstate highway or freeway in an urbanized area, left unattended for ten hours, or after four hours if a law enforcement officer determines that the abandoned property is a serious hazard to other motorists, provided that commercial motor vehicles not hauling waste designated as hazardous under 49 U.S.C. 5103(a) may only be removed under this subdivision to a place of safety until the owner or owner's representative has had a reasonable opportunity to contact a towing company of choice;

(2) Any unattended abandoned property illegally left standing upon any highway or bridge if the abandoned property is left in a position or under such circumstances as to obstruct the normal movement of traffic where there is no reasonable indication that the person in control of the property is arranging for its immediate control or removal;

(3) Any abandoned property which has been abandoned under section 577.080, RSMo;

(4) Any abandoned property which has been reported as stolen or taken without consent of the owner;

(6) Any abandoned property which due to any other state law or local ordinance is subject to towing because of the owner's outstanding traffic or parking violations;

(7) Any abandoned property left unattended in violation of a state law or local ordinance where signs have been posted giving notice of the law or where the violation causes a safety hazard; or

(8) Any abandoned property illegally left standing on the waters of this state as defined in section 306.010, RSMo, where the abandoned property is obstructing the normal movement of traffic, or where the abandoned property has been unattended for more than ten hours or is floating loose on the water.

2. The state transportation department may immediately remove any abandoned, unattended, wrecked, burned or partially dismantled property, spilled cargo or other personal property from the roadway of any state highway if the abandoned property, cargo or personal property is creating a traffic hazard because of its position in relation to the state highway. In the event the property creating a traffic hazard is a commercial motor vehicle, as defined in section 302.700, RSMo, the department's authority under this subsection shall be limited to authorizing a towing company to remove the commercial motor vehicle to a place of safety, except that the owner of the commercial motor vehicle or the owner's designated representative shall have a reasonable opportunity to contact a towing company of choice. The provisions of this subsection shall not apply to vehicles transporting any material which has been designated as hazardous under Section 5103(a) of Title 49, U.S.C.

3. Any law enforcement agency authorizing a tow pursuant to this section in which the abandoned property is moved from the immediate vicinity shall complete a crime inquiry and inspection report. Any state or federal government agency other than a law enforcement agency authorizing a tow pursuant to this section in which the abandoned property is moved away from the immediate vicinity in which it was abandoned shall report the towing to the state highway patrol or water patrol within two hours of the tow along with a crime inquiry and inspection report as required in this section. Any local government agency, other than a law enforcement agency, authorizing a tow pursuant to this section where property is towed away from the immediate vicinity shall report the tow to the local law enforcement agency within two hours along with a crime inquiry and inspection report.

4. Neither the law enforcement officer, government agency official nor anyone having custody of abandoned property under his direction shall be liable for any damage to such abandoned property occasioned by a removal authorized by this section or by ordinance of a county or municipality licensing and regulating the sale of abandoned property by the municipality, other than damages occasioned by negligence or by willful or wanton acts or omissions.

5. The owner of abandoned property removed as provided in this section or in section 304.157 shall be responsible for payment of all reasonable charges for towing and storage of such abandoned property as provided in section 304.158.

6. Upon the towing of any abandoned property pursuant to this section or under authority of a law enforcement officer or local government agency pursuant to section 304.157, the law enforcement agency that authorized such towing or was properly notified by another government agency of such towing shall promptly make an inquiry with the national crime information center and any statewide Missouri law enforcement computer system to determine if the abandoned property has been reported as stolen and shall enter the information pertaining to the towed property into the statewide law enforcement computer system. If the abandoned property is not claimed within ten working days of the towing, **the tower who has online access to the department of revenue's records shall make an inquiry to determine the abandoned property owner and lienholder, if any, of record. In the event that the records of the department of revenue fail to disclose the name of the owner or any lienholder of record, the tower shall comply with the requirements of subsection 3 of section 304.156.** If the tower does not have online access, the law enforcement agency shall submit a crime inquiry and inspection report to the director of revenue. A towing company **that does not have online access to the department's records and that is** in possession of abandoned property after ten working days shall report such fact to the law enforcement agency with which the crime inquiry and inspection report was filed. The crime inquiry and inspection report shall be designed by the director of revenue and shall include the following:

- (1) The year, model, make and property identification number of the property and the owner and any lienholders, if known;
- (2) A description of any damage to the property noted by the officer authorizing the tow;
- (3) The license plate or registration number and the state of issuance, if available;

- (7) The date of the inquiry of the national crime information center, any statewide Missouri law enforcement computer system and any other similar system which has titling and registration information to determine if the abandoned property had been stolen. This information shall be entered only by the law enforcement agency making the inquiry;
- (8) The signature and printed name of the officer authorizing the tow [and the towing operator]; and
- (9) **The name of the towing company, the signature and printed name of the towing operator, and an indicator disclosing whether the tower has online access to the department's records;**

7. One copy of the crime inquiry and inspection report shall remain with the agency which authorized the tow. One copy shall be provided to and retained by the storage facility and one copy shall be retained by the towing facility in an accessible format in the business records for a period of three years from the date of the tow or removal.

8. The owner of such abandoned property, or the holder of a valid security interest of record, may reclaim it from the towing company upon proof of ownership or valid security interest of record and payment of all reasonable charges for the towing and storage of the abandoned property.

9. Any person who removes abandoned property at the direction of a law enforcement officer or an officer of a government agency where that agency's real property is concerned as provided in this section shall have a lien for all reasonable charges for the towing and storage of the abandoned property until possession of the abandoned property is voluntarily relinquished to the owner of the abandoned property or to the holder of a valid security interest of record. Any personal property within the abandoned property need not be released to the owner thereof until the reasonable or agreed charges for such recovery, transportation or safekeeping have been paid or satisfactory arrangements for payment have been made, except that any medication prescribed by a physician shall be released to the owner thereof upon request. The company holding or storing the abandoned property shall either release the personal property to the owner of the abandoned property or allow the owner to inspect the property and provide an itemized receipt for the contents. Such lien shall be enforced in the manner provided under section 304.156.

10. Towing companies shall keep a record for three years on any abandoned property towed and not reclaimed by the owner of the abandoned property. Such record shall contain information regarding the authorization to tow, copies of all correspondence with the department of revenue concerning the abandoned property, **including copies of any online records of the towing company accessed** and information concerning the final disposition of the possession of the abandoned property.

11. If a lienholder repossesses any motor vehicle, trailer, all-terrain vehicle, outboard motor or vessel without the knowledge or cooperation of the owner, then the reposessor shall notify the local law enforcement agency where the repossession occurred within two hours of the repossession and shall further provide the local law enforcement agency with any additional information the agency deems appropriate. The local law enforcement agency shall make an inquiry with the national crime information center and the Missouri statewide law enforcement computer system and shall enter the repossessed vehicle into the statewide law enforcement computer system.

12. Notwithstanding the provisions of section 301.227, RSMo, any towing company who has complied with the notification provisions in section 304.156, including notice that any property remaining unredeemed after thirty days may be sold as scrap property may then dispose of such property as provided in this subsection. Such sale shall only occur if at least thirty days has passed since the date of such notification, the abandoned property remains unredeemed with no satisfactory arrangements made with the towing company for continued storage, and the owner or holder of a security agreement has not requested a hearing as provided in section 304.156. The towing company may dispose of such abandoned property by selling the property on a bill of sale as prescribed by the director of revenue to a scrap metal operator or licensed salvage dealer for destruction purposes only. The towing company shall forward a copy of the bill of sale provided by the scrap metal operator or licensed salvage dealer to the director of revenue within two weeks of the date of such sale. The towing company shall keep a record of each such vehicle sold for destruction for three years that shall be available for inspection by law enforcement and authorized department of revenue officials. The record shall contain the year, make, identification number of the property, date of sale, and name of the purchasing scrap metal operator or licensed salvage dealer and copies of all notifications issued by the towing company as required in this chapter. Scrap metal operators or licensed salvage dealers shall keep a record of the purchase of such property as provided in section 301.227, RSMo. Scrap metal operators and licensed salvage dealers may obtain a junk certificate as provided in 301.227, RSMo, on vehicles purchased on a bill of sale pursuant to this section.

304.157. 1. If a person abandons property, as defined in section 304.001, on any real property owned by another without the consent of the owner or person in possession of the property, at the request of the person in possession of the real property, any member of the state highway patrol, state water patrol, sheriff, or other law enforcement officer within his jurisdiction may authorize a towing company to remove such abandoned property from the property in the following circumstances:

(1) The abandoned property is left unattended for more than forty-eight hours; or

(2) In the judgment of a law enforcement officer, the abandoned property constitutes a safety hazard or unreasonably interferes with the use of the real property by the person in possession.

2. A local government agency may also provide for the towing of motor vehicles from real property under the authority of any local ordinance providing for the towing of vehicles which are derelict, junk, scrapped, disassembled or otherwise harmful to the public health under the terms of the ordinance. Any local government agency authorizing a tow under this subsection shall report the tow to the local law enforcement agency within two hours with a crime inquiry and inspection report pursuant to section 304.155.

3. Neither the law enforcement officer, local government agency nor anyone having custody of abandoned property under his or her direction shall be liable for any damage to such abandoned property occasioned by a removal authorized by this section other than damages occasioned by negligence or by willful or wanton acts or omissions.

4. The owner of real property or lessee in lawful possession of the real property or the property or security manager of the real property may authorize a towing company to remove abandoned property or property parked in a restricted or assigned area without authorization by a law enforcement officer only when the owner, lessee or property or security manager of the real property is present. A property or security manager must be a full-time employee of a business entity. An authorization to tow pursuant to this subsection may be made only under any of the following circumstances:

(1) There is displayed, in plain view at all entrances to the property, a sign not less than seventeen by twenty-two inches in size, with lettering not less than one inch in height, prohibiting public parking and indicating that unauthorized abandoned property or property parked in a restricted or assigned area will be removed at the owner's expense, disclosing the maximum fee for all charges related to towing and storage, and containing the telephone number of the local traffic law enforcement agency where information can be obtained or a twenty-four-hour staffed emergency information telephone number by which the owner of the abandoned property or property parked in a restricted or assigned area may call to receive information regarding the location of such owner's property;

(2) The abandoned property is left unattended on owner-occupied residential property with four residential units or less, and the owner, lessee or agent of the real property in lawful possession has notified the appropriate law enforcement agency, and ten hours have elapsed since that notification; or

(3) The abandoned property is left unattended on private property, and the owner, lessee or agent of the real property in lawful possession of real property has notified the appropriate law enforcement agency, and ninety-six hours have elapsed since that notification.

5. Pursuant to this section, any owner or lessee in lawful possession of real property that requests a towing company to tow abandoned property without authorization from a law enforcement officer shall at that time complete an abandoned property report which shall be considered a legal declaration subject to criminal penalty pursuant to section 575.060, RSMo. The report shall be in the form designed, printed and distributed by the director of revenue and shall contain the following:

(1) The year, model, make and abandoned property identification number of the property and the owner and any lienholders, if known;

- (7) The towing company's name and address;
- (8) The signature of the towing operator;
- (9) The signature of the owner, lessee or property or security manager attesting to the facts that the property has been abandoned for the time required by this section and that all statements on the report are true and correct to the best of the person's knowledge and belief and that the person is subject to the penalties for making false statements;
- (10) Space for the name of the law enforcement agency notified of the towing of the abandoned property and for the signature of the law enforcement official receiving the report; and
- (11) Any additional information the director of revenue deems appropriate.

6. Any towing company which tows abandoned property without authorization from a law enforcement officer pursuant to subsection 4 of this section shall deliver a copy of the abandoned property report to the local law enforcement agency having jurisdiction over the location from which the abandoned property was towed. The copy may be produced and sent by facsimile machine or other device which produces a near exact likeness of the print and signatures required, but only if the law enforcement agency receiving the report has the technological capability of receiving such copy and has registered the towing company for such purpose. The registration requirements shall not apply to law enforcement agencies located in counties of the third or fourth classification. The report shall be delivered within two hours if the tow was made from a signed location pursuant to subdivision (1) of subsection 4 of this section, otherwise the report shall be delivered within twenty-four hours.

7. The law enforcement agency receiving such abandoned property report must record the date on which the abandoned property report is filed with such agency and shall promptly make an inquiry into the national crime information center and any statewide Missouri law enforcement computer system to determine if the abandoned property has been reported as stolen. The law enforcement agency shall enter the information pertaining to the towed property into the statewide law enforcement computer system, and an officer shall sign the abandoned property report and provide the towing company with a signed copy. The department of revenue may design and sell to towing companies informational brochures outlining owner or lessee of real property obligations pursuant to this section.

8. The law enforcement agency receiving notification that abandoned property has been towed by a towing company shall search the records of the department of revenue and provide the towing company with the latest owner and lienholder information on the abandoned property, **and if the tower has online access to the department of revenue's records, the tower shall comply with the requirements of section 301.155, RSMo.** If the abandoned property is not claimed within ten working days, the towing company shall send a copy of the abandoned property report signed by a law enforcement officer to the department of revenue.

9. If any owner or lessee of real property knowingly authorizes the removal of abandoned property in violation of this section, then the owner or lessee shall be deemed guilty of a class C misdemeanor."; and

Further amend said bill, Page 180, Section 407.567, Line 9 of said page, by inserting after all of said line the following:

"577.080. 1. A person commits the crime of abandoning a motor vehicle **or trailer** if he abandons any motor vehicle **or trailer** on the right-of-way of any public road or state highway or on or in any of the waters in this state or on the banks of any stream, or on any land or water owned, operated or leased by the state, any board, department, agency or commission thereof, or any political subdivision thereof or on any land or water owned, operated or leased by the federal government or on any private real property owned by another without his consent.

2. **For purposes of this section, the last owner of record of a motor vehicle or trailer found abandoned and not shown to be transferred pursuant to sections 301.196 and 301.197, RSMo, shall be deemed prima facie to have been the owner of such motor vehicle or trailer at the time it was abandoned and to have been the person who abandoned the motor vehicle or trailer or caused or procured its abandonment. The registered owner of the abandoned motor vehicle or trailer shall not be subject to the penalties provided by this section if the motor vehicle or trailer was in the care, custody, or control of another person at the time of the violation. In such instance, the owner shall submit such evidence in an affidavit permitted by the court setting forth the name, address, and other pertinent information of the person who leased, rented, or otherwise had care, custody, or control of the motor vehicle or trailer at the time of the alleged violation. The affidavit submitted pursuant to this subsection shall be admissible in a court proceeding adjudicating the alleged violation and shall raise a rebuttable presumption that the person identified in the affidavit was in actual control of the motor vehicle or trailer. In such case, the court has the authority to terminate the prosecution of the summons issued to the owner and issue a summons to the person identified in the affidavit as the operator. If the motor vehicle or trailer is alleged to have been stolen, the owner of the motor vehicle or trailer shall submit proof that a police report was filed in a timely manner indicating that the vehicle was stolen at the time of the alleged violation.**

3. Abandoning a motor vehicle **or trailer** is a class A misdemeanor.

4. Any person convicted pursuant to this section shall be civilly liable for all reasonable towing, storage, and administrative costs associated with the abandonment of the motor vehicle or trailer. Any reasonable towing, storage, and administrative costs in excess of the value of the abandoned motor vehicle or trailer that exist at the time the motor vehicle is transferred pursuant to section 304.156, RSMo, shall remain the liability of the person convicted pursuant to this section so long as the towing company, as defined in chapter 304, RSMo, provided the title owner and lienholders, as ascertained by the department of revenue records, a notice within the timeframe and in the form as described in subsection 1 of section 304.156, RSMo."; and

Further amend the title and enacting clause accordingly.

But if any action involving the same violations has already been filed by a person under section 537.805, the state may only intervene in it as set forth in this section.

2. Any person may bring a civil action for a violation of section 537.805 in the name of the person and on behalf of the state. No such action shall be dismissed without the written consent of the attorney general after court approval.

3. The complaint shall be filed in camera, shall remain under seal for up to one hundred eighty days from the date of filing, and shall not be served on the defendant until the court so orders.

4. A copy of the petition filed by any person pursuant to sections 537.805 to 537.810 shall be served on the attorney general along with a disclosure statement describing the fraudulent acts or omissions and setting forth all evidence known to the person in support of the claims. The attorney general may proceed with the action by entering an appearance within one hundred eighty days of being served. The attorney general may, for good cause, extend such one hundred eighty day period upon request to the court, as necessary and may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal pursuant to subsection 3 of this section. Any such motions may be supported by affidavits or other submissions in camera. The court may not grant extensions beyond one year from the date the action was filed. The defendant shall not be required to respond to any complaint filed pursuant to this section until thirty days after the complaint is unsealed and served upon the defendant. The person bringing the action may proceed with the action if the attorney general:

(1) By the end of the one hundred eighty day period or whatever extensions are granted by the court does not file a motion to intervene or

obtain a continuance of the aforesaid time period; or

(2) Does not proceed with the action with reasonable diligence within six months after filing a motion to intervene, or within additional time the court allows after notice to the person bringing the action.

5. Except as provided in subsection 8 of this section, when a person brings an action pursuant to this section, no one else may bring a related action based on the facts underlying the pending action and only the attorney general may intervene pursuant to subsection 4 of this section.

6. If the attorney general initiates or intervenes in the action, it shall be conducted solely by the state, with notice of all proceedings to the person who filed the action as another party. The state is not bound by any act of the person bringing the action.

7. Unless the state proceeds with the action, the court shall dismiss an action brought by the person if the action is based on evidence or information known to the state when the action was brought.

8. If the false or fraudulent claim involves the attorney general's office, then the state auditor shall assume all powers, duties, and obligations that the attorney general has pursuant to section 537.805 and this section.

9. If the state proceeds with the action, the person bringing the action may receive an amount the court decides is reasonable. The amount may not be more than twenty-five percent nor less than fifteen percent of the proceeds of the action and shall be paid out of those proceeds. The person shall also receive reasonable attorney's fees and costs, to be awarded against the defendant.

10. If the state does not proceed with an action, the person bringing the action may receive an amount the court decides is reasonable. The amount may not be more than thirty-five percent nor less than twenty-five percent of the proceeds of the action or settlement and shall be paid out of those proceeds. The person may also recover costs and reasonable attorney's fees from the defendant.

11. The state shall not be liable for costs or attorney's fees a person incurs in bringing an action pursuant to this section.

12. No court shall have jurisdiction over an action brought under this section by a former or present member of the armed forces against a member of the armed forces arising out of such person's service in the armed forces.

13. No court shall have jurisdiction over an action brought under this section against a member of the general assembly, a member of the judiciary, or a senior executive branch official if the action is based on evidence or information known to the government when the action was brought.

14. In no event may a person bring an action which is based upon allegations or transactions which were the subject of a civil suit or an administrative civil monetary penalty proceeding in which the government is already a party.

15. No court shall have jurisdiction over an action under this section based upon the public disclosure of allegations or transactions in a criminal, civil, or administrative hearing, in a report, hearing, audit, or investigation by the general assembly or the executive branch, or from the news media, unless the action is brought by the attorney general or the person bringing the action is an original source of the information. For purposes of this subsection, "original source" means an individual who has direct and independent knowledge of the information on which the allegations are based and has voluntarily provided the information to the government before filing an action under this section which is based on the information."; and

No employee, volunteer, or school board member of any public school or charter school within this state, and no employee of the department of social services, shall perform or direct a strip search as defined in section 544.193, RSMo, of any student of any such school. No employee, volunteer, or school board member of any public school or charter school within this state, and no employee of the department of social services, shall direct a student to take part in, direct, supervise, be present for or witness a strip search of a fellow student. Any employee, volunteer, or school board member who violates this subsection shall be immediately suspended from their association with the school or with the department, without pay if such person would otherwise receive pay, pending an evidentiary hearing on the matter. In the event the person suspended is found, after an evidentiary hearing, to have violated this subsection, such person shall be subject to sanctions up to and including termination from the school, or on the school board, or with the department of social services.

2. In the event a certified law enforcement officer has probable cause to believe that a student of a public or charter school in this state has concealed a deadly or dangerous weapon on the student's person and is present on the property of the school, such officer may detain the student for the limited purpose of conducting a search and may conduct a strip search of such student as defined and limited in section 544.193, RSMo, and pursuant to the limitations and provisions of this subsection, only to the limited extent reasonably necessary to determine whether the student has possession of a deadly or dangerous weapon and to take possession of any such weapon if found on the person of the student. In the event any strip search of a student is conducted pursuant to this section, the school principal, in conjunction with the certified law enforcement officer, shall prepare a comprehensive written report of the entire incident leading to the strip search and of the strip search itself. The report shall include, but not be limited to, the name, address, employer, title and gender of each person present at the strip search. The full written report shall be hand delivered to the student's parents or legal guardians or foster parents, and to an authorized representative of the school board, and to the director of the department of social services if applicable, within forty-eight hours of the commencement of the strip search."; and

"452.402. 1. The court may grant reasonable visitation rights to the grandparents of the child and issue any necessary orders to enforce the decree. The court may grant grandparent visitation when:

- (1) The parents of the child have filed for a dissolution of their marriage. A grandparent shall have the right to intervene in any dissolution action solely on the issue of visitation rights. Grandparents shall also have the right to file a motion to modify the original decree of dissolution to seek visitation rights when [such rights have] **visitation has** been denied to them; **or**
- (2) One parent of the child is deceased and the surviving parent denies reasonable visitation [rights] to a parent of the deceased parent of the child; **or**
- (3) The child has resided in the grandparent's home for at least six months within the twenty-four month period immediately preceding the filing of the petition; **and**
- (4) A grandparent is unreasonably denied visitation with the child for a period exceeding ninety days. However, if the natural parents are legally married to each other and are living together with the child, a grandparent may not file for visitation pursuant to this subdivision[]; **or**
- (5) The child is adopted by a stepparent, another grandparent or other blood relative].

2. The court shall determine if the visitation by the grandparent would be in the child's best interest or if it would endanger the child's physical health or impair the child's emotional development. Visitation may only be ordered when the court finds such visitation to be in the best interests of the child. However, when the parents of the child are legally married to each other and are living together with the child, it shall be a rebuttable presumption that such parents know what is in the best interest of the child. The court may order reasonable conditions or restrictions on grandparent visitation.

3. If the court finds it to be in the best interests of the child, the court may appoint a guardian ad litem for the child. The guardian ad litem shall be an attorney licensed to practice law in Missouri. The guardian ad litem may, for the purpose of determining the question of grandparent visitation rights, participate in the proceedings as if such guardian ad litem were a party. The court shall enter judgment allowing a reasonable fee to the guardian ad litem.

4. A home study, as described by section 452.390, may be ordered by the court to assist in determining the best interests of the child.

5. The court may, in its discretion, consult with the child regarding the child's wishes in determining the best interest of the child.

6. The right of a grandparent to [seek or] maintain visitation rights pursuant to this section may terminate upon the adoption of the child.

6. The medical or other records of the physician or other authorized health care practitioner who issued a physician's statement shall be open to inspection and review by such practitioner's licensing board, in order to verify compliance with this section. Information contained within such records shall be confidential unless required for prosecution, disciplinary purposes, or otherwise required to be disclosed by law.

9. No additional fee shall be paid to the director [of revenue] for the issuance of the special license plates provided in this section, except for special personalized license plates and other license plates described in this subsection. Priority for any specific set of special license plates shall be given to the applicant who received the number in the immediately preceding license period subject to the applicant's compliance with the provisions of this section and any applicable rules or regulations issued by the director. 11. The removable windshield placard shall conform to the specifications, in respect to size, color, and content, as set forth in federal regulations published by the Department of Transportation. The fee for each removable windshield placard shall be four dollars and the removable windshield placard shall be renewed every two years. The temporary windshield placard shall conform to the specifications, in respect to size, color, and content, as set forth in federal regulations published by the Department of Transportation. The fee for the temporary windshield placard shall be two dollars. Upon request, **and for good cause shown,** one additional temporary windshield placard [shall] **may** be issued to an applicant. If it is the professional opinion of the physician who issues the statement that the physical disability of the applicant, user, or member of the applicant's household is permanent, this shall be noted on the statement. In such instances, the applicant shall present the physician's statement which states that the applicant's disability is permanent to the director of revenue the first time the applicant applies for license plates or a removable windshield placard. The applicant shall not be required to obtain a new physician's statement each time that the applicant applies for or renews license plates or a removable windshield placard; but, the applicant shall present a physician's statement each time the applicant applies for a temporary windshield placard or renews a temporary windshield placard.]

14. The placard shall be renewable only by the person or entity to which the placard was originally issued. Any placard issued pursuant to this section shall only be used when the physically disabled occupant for whom the disabled plate or placard was issued is in the motor vehicle at the time of parking or when a physically disabled person is being delivered or collected. A disabled license plate and/or a removable windshield hanging placard are not transferable and may not be used by any other person whether disabled or not.

15. At the time the disabled plates or windshield hanging placards are issued, the director shall issue a registration certificate which shall include the applicant's name, address, and other identifying information as prescribed by the director, or if issued to an agency, such agency's name and address. This certificate shall further contain the disabled license plate number or, for windshield hanging placards, the registration or identifying number stamped on the placard. The validated registration receipt given to the applicant shall serve as the registration certificate.

16. The director shall, upon issuing any disabled registration certificate for license plates and/or windshield hanging placards, provide information which explains that such plates or windshield hanging placards are nontransferable, and the restrictions explaining who and when a person or vehicle which bears or has the disabled plates or windshield hanging placards may be used or be parked in a disabled reserved parking space, and the penalties prescribed for violations of the provisions of this act.

17. Every new applicant for a disabled license plate or placard shall be required to present a new physician's statement dated no more than

Renewal applicants will be required to submit a physician's statement dated no more than ninety days prior to such application upon their first renewal occurring on or after August 1, 2005. Upon completing subsequent renewal applications, a physician's statement dated no more than ninety days prior to such application shall be required every fourth year. Such physician's statement shall state the expiration date for the temporary windshield placard. If the physician fails to record an expiration date on the physician's statement, the director shall issue the temporary windshield placard for a period of thirty days.

18. The director of revenue upon receiving a physician's statement pursuant to this subsection shall check with the state board of registration for the healing arts created in section 334.120, RSMo, or the Missouri state board of chiropractic examiners established in section 331.090, RSMo, with respect to physician's statements signed by licensed chiropractors, or with the board of optometry established in section 336.130, RSMo, with respect to physician's statements signed by licensed optometrists, or the state board of podiatric medicine created in section 330.100, RSMo, with respect to physician's statements signed by physicians of the foot or podiatrists to determine whether the physician is duly licensed and registered pursuant to law.

19. The boards shall cooperate with the director and shall supply information requested pursuant to this subsection. The director [may] **shall**, in cooperation with the boards which shall assist the director, establish a list of all [physicians' names] **Missouri physicians and other authorized health care practitioners** and of any other information necessary to administer this [subsection within the department of revenue if the director determines that such listing is necessary to carry out the provisions of this subsection] **section**.

[7.] **20.** Where the owner's application is based on the fact that the vehicle is used at least fifty percent of the time by a physically disabled person, the applicant shall submit [an affidavit] **a statement** stating this fact, in addition to the physician's statement. The [affidavit] **statement** shall be signed by both the owner of the vehicle and the physically disabled person. The applicant shall be required to submit this [affidavit] **statement** with each application for license plates. **No person shall willingly or knowingly submit a false statement and any such false statement shall be considered perjury and may be punishable pursuant to section 301.420, RSMo.**

21. The director of revenue shall retain all physician's statements and all other documents received in connection with a person's application for disabled license plates and/or disabled windshield placards.

[8.] **22.** The director of revenue shall enter into reciprocity agreements with other states or the federal government for the purpose of recognizing disabled person license plates or windshield placards issued to physically disabled persons.

[9.] **23.** When a person to whom disabled person license plates or a removable or temporary windshield placard or both have been issued dies, the personal representative of [such person] **the decedent or such other person who may come into or otherwise take possession, of the disabled license plates or disabled windshield placard** shall return [the plates or placards or both] the same to the director of revenue under penalty of law. **Failure to return such plates or placards shall constitute a class B misdemeanor.**

24. The director of revenue may order any person issued disabled person license plates or windshield placards to submit to an examination by a chiropractor, osteopath, or physician, or to such other investigation as will determine whether such person qualifies for the special plates or placards.

25. If such person refuses to submit or is found to no longer qualify for special plates or placards provided for in this section, the director of revenue shall collect the special plates or placards, and shall furnish license plates to replace the ones collected as provided by this chapter.

[10.] **26.** In the event a removable or temporary windshield placard is lost, stolen, or mutilated, the lawful holder thereof shall, within five days, file with the director of revenue an application and an affidavit stating such fact, in order to purchase a new placard. The fee for the replacement windshield placard shall be [two] **four** dollars.

[11.] Beginning after September 1, 1998, and prior to August 31, 1999, the director of revenue shall authorize a one-time recertification and review of all permanent disabled person license plates and windshield placards, including physician's license numbers and related information that the director has on file pursuant to subsection 6 of this section to determine if such numbers and information are current and correct. The director shall require the presentation of a new physician's statement and other information deemed necessary by the director to administer the provisions of this section. The recertification and review shall be conducted in a manner as determined by the director.

[12.] **27.** Fraudulent application, renewal, issuance, procurement or use of disabled person license plates or windshield placards shall be a class A misdemeanor. It is a class B misdemeanor for a physician, chiropractor, podiatrist or optometrist to certify that an individual or family member is qualified for a license plate or windshield placard based on a disability, the diagnosis of which is outside their scope of practice or if there is no basis for the diagnosis.

An Act to repeal section 376.1230, RSMo, and to enact in lieu thereof one new section relating to health benefits for chiropractic care.

Was taken up by Senator Shields.

Senator Caskey offered **SA 1**:

SENATE AMENDMENT NO. 1

Amend House Committee Substitute for House Bill No. 1509, Page 1, In the title, Line 3, by striking "health benefits for chiropractic care" and inserting in lieu thereof the following: "health insurance"; and

Further amend said bill, page 1, section A, line 2, by inserting after all of said line the following:

"376.1221. 1. Every health carrier, as defined in section 376.1350, offering health benefit plans that are delivered, issued for delivery, continued, or renewed after January 1, 2005, shall provide coverage for hearing aids and associated hearing evaluations and consumable supplies that are prescribed and dispensed by appropriately licensed professionals to dependent children through age nineteen under a policy, contract, or plan.

2. The hearing aids covered pursuant to this section shall:

(1) Be an electronic, wearable device designed for the purpose of aiding or compensating for human hearing loss and any parts, attachments, or accessories, including earmolds; and

(2) Be of a design and circuitry to optimize audibility and listening skills in the environment commonly experienced by children.

3. The coverage provided by this section shall include coverage for replacement hearing aids for the child at least once every three years. This replacement provision shall not apply to Missouri medicaid and MC plus coverage policy which is set by federal requirements.

4. A health carrier subject to this section shall not cap the benefit payable for hearing aids to less than one thousand two hundred fifty dollars per hearing aid for each ear with a hearing loss. An insured or enrollee may choose a hearing aid that costs more than the benefit payable and may pay the difference between the cost of the hearing aid and the benefit payable without financial or contractual penalty to the provider of the hearing aid.

5. Nothing in this section shall prohibit a health carrier from providing coverage that is greater than or more favorable to enrollees than the coverage provided by this section.

6. Coverage and benefits related to the health care services required by this section shall be at least as favorable and subject to the same dollar limits, deductibles and co-payments as other covered benefits or services. No health carrier subject to this section shall request or require hearing acuity information from or about persons applying for coverage.

7. SECOND REGULAR SESSION

SEVENTY-SECOND DAY--FRIDAY, MAY 14, 2004

The Senate met pursuant to adjournment.

Wonderful God, we complete our work in a few hours and we pray that what we have done is according to Your will and will be a blessing to Your people. And as we complete this day we will close this session and bid farewell to many who have served here long and honorably. Journal of the Senate
NINETY-SECOND GENERAL ASSEMBLY
OF THE
STATE OF MISSOURI
SECOND REGULAR SESSION

VETO SESSION

FIRST DAY--WEDNESDAY, SEPTEMBER 15, 2004

The Senate was called to order in Veto Session by Lieutenant Governor Joe Maxwell.

The Reverend Carl Gauck offered the following prayer:

"Keep alert, stand firm in your faith, be courageous, be strong. Let all that you do be done in love." (I Corinthians 16:15)

Gracious God, we gather, each to play out our part in this legislative process, to vote our conscience and be loyal to our core beliefs; in this we ask Your guidance. We remember Senator Wiggins and sadly commend him to Your eternal care. Bless him and comfort us who cared for him. COMMUNICATIONS FROM THE GOVERNOR

The following communications, regarding vetoed Senate bills, were received by the Secretary of State, reading of which was waived:

OFFICE OF THE GOVERNOR

State of Missouri

Jefferson City, Missouri

July 6, 2004

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI:

Herewith I return to you House Committee Substitute for Senate Substitute for Senate Concurrent Resolution No. 26, relating to the Forestry Utilization Committee.

I disapprove of House Committee Substitute for Senate Substitute for Senate Concurrent Resolution No. 26. My reasons for disapproval are as follows:

The Forestry Utilization Committee which would be established by this resolution is poorly structured and unlikely to achieve its goals. Before establishing any new state board or commission, care must be taken to ensure that it has sufficient representation of all interested parties and groups, and that it does not have too many members to do its work effectively. I am concerned that this resolution (and its companion resolution from the House) do not meet either of these criteria. For example, as established by this resolution, the committee would have 27 members; a number that could be cumbersome if the structure of the committee has not received careful thought. Further, this number of members conflicts with the number provided in the companion resolution, strengthening my sense that more careful consideration of the composition of this committee is needed.

This resolution provides for the direct appointment of committee members by private, non-governmental organizations. This approach is undesirable. Members of state boards and commissions are frequently chosen to represent private sector interests, but the actual power to appoint should be reserved to the state.

This resolution also provides that funding for the committee would come out of the Office of Administration's budget. With agency budgets so closely scrutinized for appropriate spending, I find this approach misguided. The Departments of Conservation, Agriculture, and Natural Resources are the more appropriate agencies to oversee the committee budget and staffing needs.

In short, while the purpose of this resolution seems noble and worthwhile, I believe that practical considerations merit a rethinking of the proper approach. I look forward to working with interested parties to establish an appropriately-constituted Forestry Utilization Committee, and will be pleased to sign an Executive Order establishing the Committee once these issues are resolved.

For all of the above stated reasons for disapproval, I am returning House Committee Substitute for Senate Substitute for Senate Concurrent Resolution No. 26 without my approval.

Respectfully submitted,

Bob Holden

July 2, 2004

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI:

Herewith I return to you House Committee Substitute for Senate Committee Substitute for Senate Bill No. 799 entitled:

AN ACT

To repeal sections 193.165 and 193.255, RSMo, and to enact in lieu thereof eight new sections relating to miscarriages and stillbirths.

I disapprove of said House Committee Substitute for Senate Committee Substitute for Senate Bill No. 799. My reasons for disapproval are as follows:

House Committee Substitute for Senate Committee Substitute for SB No. 799 is almost identical to Senate Committee Substitute for House Committee Substitute for House Bill No. 1136. I have signed Senate Committee Substitute for House Committee Substitute for HB No. 1136 today. House Committee Substitute for Senate Committee Substitute for SB No. 799 contains a minor drafting difference from Senate Committee Substitute for House Committee Substitute for House Bill No. 1136. House Committee Substitute for Senate Committee Substitute for Senate Bill No. 799 requires stillbirth procedures at every "hospital, outpatient birthing clinic, and any other health care facility." (Sections 194.384 and 194.387) Senate Committee Substitute for House Committee Substitute for House Bill No. 1136 requires stillbirth procedures at every "hospital, outpatient clinic, and any other health care facility." (Sections 194.384 and 194.387) The word "birthing" in House Committee Substitute for Senate Committee Substitute for Senate Bill No. 799 was omitted between outpatient and clinic. As a result, signing House Committee Substitute for Senate Committee Substitute for Senate Bill No. 799 would likely cause the Revisor of Statutes to print in the Missouri Revised Statutes two versions of section 194.384 and two versions of section 194.387. In addition, insertion of the word "birthing" in House Committee Substitute for Senate Committee Substitute for Senate Bill No. 799 may require outpatient clinics that do not handle fetal remains to adopt standards that will never be used.

For all of the above stated reasons for disapproval, I am returning House Committee Substitute for Senate Committee Substitute for Senate Bill No. 799 without my approval.

Sincerely,

Bob Holden

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI:

Herewith I return to you Conference Committee Substitute for House Substitute for House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 1081 entitled:

AN ACT

To amend chapter 431, RSMo, by adding thereto eight new section relating to resolution of disputes concerning alleged defective residential construction.

I disapprove of said Conference Committee Substitute for House Substitute for House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 1081. My reasons for disapproval are as follows:

- Conference Committee Substitute for House Substitute for House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 1081 fails to adequately protect consumers.

Conference Committee Substitute for House Substitute for House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 1081 places unreasonable obstacles that will prevent or delay homeowners from exercising their legal rights as a result of a homebuilder's mistake or malfeasance. This bill puts an undue burden on homeowners, requiring them to wait up to three to six months before being made whole. These delays could cause considerable health or safety risks. Further, they are not justified because homeowners are typically forced to file lawsuits only after all other means of informal resolution have proven fruitless.

II. Conference Committee Substitute for House Substitute for House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 1081 gives unwarranted protections that tip the scales of justice against homeowners.

While it is a laudable goal to resolve disputes without litigation, this bill puts consumers at a distinct and unjustified disadvantage. Many homeowners do not have the know-how or legal tools to address construction defects, and this legislation would only further hinder their ability to rectify a homebuilder's mistake. This is especially troubling in light of the fact that many working-class Missourians are in the process of becoming first-time homebuyers as a result of moderately low interest rates. Many homeowners could be uncomfortable following the complicated requirements in this bill and will be forced to hire an attorney to assist them. Otherwise, homeowners who miss one of the many deadlines in the bill or fail to navigate the complicated procedures the bill mandates would have their lawsuits dismissed.

Additionally, forcing mediation upon two parties in unequal bargaining positions clearly puts the contractor in a distinct advantage over the homeowner. Mediation is an appropriate and important form of alternative dispute resolution, but consumers should not be forced into it in these circumstances. Mandatory mediation, where parties with unequal leverage are involved, is unproductive, particularly in small construction disputes where the cost of mediation could exceed the value of the claim. The mediation mandate in this bill, moreover, is flawed because it does not require either party to send a negotiator authorized to enter into a settlement. This creates a substantial and undesirable risk of bad-faith negotiation.

III. Conference Committee Substitute for House Substitute for House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 1081 may violate the open courts provisions of the Missouri Constitution's Bill of Rights.

Provisions in this legislation contain procedural hurdles that, without adequate justification, delay the claimant from filing a lawsuit against a contractor. Article 1, Section 14 of the Missouri Constitution provides, "That the court of justice shall be open to every person, and certain remedy afforded for every injury to person, property or character, and that right and justice shall be administered without sale, denial or delay." Missouri's judicial branch has historically set high standards when evaluating the constitutionality of mandatory pre-filing procedures. Certain aspects of this bill may very well fail to satisfy the courts' standards.

For all of the above stated reasons for disapproval, I am returning Conference Committee Substitute for House Substitute for House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 1081 without my approval.

Respectfully submitted,

Bob Holden

Herewith I return to you Senate Bill No. 1111 entitled:

AN ACT

To repeal section 488.429, RSMo, and to enact in lieu thereof one new section relating to law library funds.

I disapprove of Senate Bill No. 1111. My reason for disapproval is as follows:

This bill conflicts with Senate Committee Substitute for House Committee Substitute for House Bill No. 798 which I intend to sign and which effectuates the provisions of Senate Bill No. 1111 in that Grundy County falls within the scope of Senate Committee Substitute for House Committee Substitute for House Bill No. 798. Thus, there is no need to have the conflict in the statutes.

For the above stated reason for disapproval, I am returning Senate Bill No. 1111 without my approval.

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI:

Herewith I return to you Senate Committee Substitute for Senate Bill No. 1304 entitled:

AN ACT

Relating to reimbursement from the special allocation fund for emergency services.

I disapprove of said Senate Committee Substitute for Senate Bill No. 1304. My reasons for disapproval are as follows:

Senate Committee Substitute for Senate Bill No. 1304 is almost identical to House Committee Substitute for House Bill Nos. 1529 & 1655. I have signed House Committee Substitute for House Bill Nos. 1529 & 1655 today. The language in House Committee Substitute for House Bill Nos. 1529 & 1655 specifically excludes existing projects while Senate Committee Substitute for Senate Bill No. 1304 does not. As a result, signing Senate Committee Substitute for Senate Bill No. 1304 would likely cause the Revisor of Statutes to print in the Missouri Revised Statutes two inconsistent versions of the amended section in two different places in Chapter 99. Thus, signing both bills would only create confusion for local entities. In addition, the section of law contained in both bills was last amended in 2002 by Senate Bill No. 1107, which was recently found to be

in violation of the Missouri Constitution by the Cole County Circuit Court. The court struck down Section 99.847, as enacted by Senate Bill No. 1107 because the bill contained too many subjects. The bills passed in 2004 place the 2002 changes back in state statute. House Committee Substitute for House Bill Nos. 1529 & 1655 more closely aligns with the original language that I approved in the 2002 bill, which also excluded existing projects.

For all of the above stated reasons for disapproval, I am returning Senate Committee Substitute for Senate Bill No. 1304 without my approval.

Sincerely,

Bob Holden
